“ I send my sympathy to the family of Lynda Young. I have taken many dental continuing education courses through the University of MN. Lynda was one of the most organized, thoughtful, hard-working, genuine colleagues that I have professionally known. The dental community will miss her greatly.

“ *Lynda was a key mentor to me in the pursuit of my advanced degree in dental hygiene. She challenged and inspired me to become a much stronger presenter for her CDE programs than I otherwise would have become. Her influence on both my professional and personal life will be everlasting. May she rest in peace.*
