“ Dear Hexum family - I worked with Lyn at Cargill back in the 80s and we not only worked together, but were friends outside of work. We played softball together both on a Cargill team and on a co-ed team. Unfortunately, we lost touch as I moved on to another job but always remember Lyn's wry sense of humor. One thing that really stood out to me was his determination to ALWAYS be ON TIME. And if they were early, he would park down the street to wait instead of imposing by being early. We had so many wonderful times back in the day. I am so sorry for your loss, but I know the Parkinsons took a terrible toll on him. May he rest in peace up above with our Creator! My deepest sympathies to you all. God bless.

“ Condolences to the Hexum family. Our thoughts and prayers go out to your whole family. Psalms 147:3 says God, "heals the broken hearted, and binds up their wounds." May God bring you comfort and peace.

“ Ellen, Marian, Rachel, Annette and Laurie, I am so sorry for your loss. I remember your story of the oil rights dad had bought and you were discussing with Lynn whether to keep them or not. I'm guessing you still have them. My mom suffered with Parkinson's and know first hand what a difficult and often long battle it is for the person with it and the family caring and loving them through it. God Bless you and bring comfort at this sad time. Pam
