

## Lynell Marie Gupta

February 24, 1970 - September 24, 2024

Lynell Gupta, a cherished individual known for her kind, loving, and caring personality, left us on September 24th, 2024. Born on March 24th, 1970, Lynell lived a life filled with tremendous passion and service towards others.

Lynell was an esteemed alumna of Bethel University, graduating with her undergraduate degree in 2013, shortly after receiving her Master of Business Administration in 2015. She was employed at Walden University where, as a lifelong learner, she received a second master's degree in Instructional Design and Technology in 2022. Along with her education, she had been a devout member of Christ the King Lutheran Church in New Brighton and actively contributed to the community. She was a shining example of how to think of others, a value that was central to their character. Her school and work years were marked by her kindness, empathy, and capacity to bring joy to those around her.

Preceded in death by her son Grant McGarry, her parents Ashok Gupta and Marie Lood, and her sister Lisa Murray.

She is survived by her daughter, Morgan (Jared) Hall, and Robert (Melissa) McGarry whose lives were greatly enriched by Lynell's presence. Her departure leaves an unfillable void in their lives, yet they find comfort in the memories and everlasting love they share.

Lynell was strong-willed and stubborn at times, but she also had an enormous heart and a wonderful sense of humor. She was generous, loyal, brave, and full to the brim with knowledge gained through all of her years in higher education. While our hearts mourn the loss of Lynell, we take comfort in knowing she is no longer suffering. In her final thoughts, she shared her love and pride for her daughter, family friends, and sincere thanks to the cancer team at Health Partners for their care and efforts.

A memorial service will be held at Christ the King in New Brighton with a visitation beginning at 10 a.m. In lieu of flowers, the family requests donations be made to the American Cancer Society, a disease which took the life of both Lynell and her son.

“ I’ve known Lynell because my daughter Kim was a good friend of Lynell’s. Lynell was in Kim’s wedding 30 years ago. Lynell as a young girl she and Kim spent as much time together as possible . Marie , Lynells mom would pick Kim up for school so she could continue to attend the same school as Lynell after we had moved, there was something so special about Lynell. Her deep Love for her children, her broken heart when Grant passed away: Lynell knew we had our plots at the same cemetery where Grant was laid to rest & now it’s Lynells turn . I’m deeply sorry that cancer took another life. Lynell no more texts. I already miss you . Morgan I’m here for you should you ever need me, sh am
