“ Dan, Sara, and Adam,
Although I never met Sara and Adam, Lyn was my second cousin and we lived across the field behind the church from each other. We spent a lot of time with Uncle Bob, Aunt Pat, and especially Gary and Lyn. Lyn spent many evenings babysitting the three of us and was much more than just that. I remember all the times she was at our house and especially when Mom was making her wedding dress for her and how she shone that day she became Mrs. Danny Yates! She was a wonderful, caring, fun-loving woman and I will always feel blessed to know her. Tuck those memories deep in your hearts and never stop talking about her - I won't. Love to you all.

“ Danny and Lyn were among the first neighbors I knew and when I moved to Minneapolis, where we lived on 18th and Fillmore, in the 70's. Their Sara was 3 years older than our Nick while their Adam and our Katie were a couple o months apart. Lyn was super friendly and very kind hearted. We got to know Balsam Lake through her and met most of her brothers and sisters. Her mom and I were both avid Twins fans. My favorite story of her happened after we moved to Blaine. On the morning of Katie's birthday, I woke up very sick and had to go back to bed after I had most everything ready for the party. Lyn came early and ended up hosting the party. Katie tried to wake me up during the party, but I couldn't get up. "Auntie" Lyn came to her rescue and made sure she has a good time. I never forgot what a good friend you were.
