“ *we moved onto the same block as Lynne and Mike in 1976, so 2 doors down, we had our families together and watched all our girls grow up. we had all the joys and tribulations of family and getting older, including Bob and Mike having illness way too young. but we survived, and in strand family Lynne was always there for her husband and girls with a grand smile and lots of love. god bless you all at this time of loss and know she is in a better place....
