“ Sending my deepest sympathy, I just went into the Windom Citizen and saw Mable's note of her death. Joan I remember the times I came home with you during our HS days and remember Mable as the older sister but i realize she was only 2 years older. That doesn't seem so much older now. 2015 Will be our 50 HS reunion hope you will able to come. Some of the Windom girls are planning something. I think you are out in CA yet so am I in southern CA. We lost Mother and Rick in 2011 so it is still hard to believe they are gone. Wishing you and your family well. ((0)) Jane Knigge Larson

“ I was a classmate at Fulda Schools. In the seventh grade, Mabel and I shared the same locker. I moved to Nebraska in 1963. I didn't know that Mabel lived in Windom. Had I known, I would have tried to look her up. I do send my sympathy to her loved ones. Melba Heyen Schoone

“ I worked with Mable in the 80s at the Windom Sogge Home. She was one of the sweetest women I worked with! Rest in peace!

“ Mable and Albert were are neighbors. She really was a special person. When Albert became ill my sisters and I on occasion would stay with Albert for an hour or two if Mable needed to leave. I always admired her patience and how she accepted her trials with such grace and humor. Condolences from my family to yours Darla.

“ Mable was one of my favorite coworkers at Good Samaritan in WIndom. She was a champion for resident's rights, and always had a smile on her face. May she rest in peace after this long and difficult journey. Char Woizeschke RN.
