

## Madeline Paguyo

May 11, 2004

Paguyo Madeline Taylor Paguyo, age 14, of Minneapolis, died May 6, 2004 after a courageous year long battle with a brain tumor. Maddie gracefully battled the cancer during the past 12 months and slipped away peacefully at home with many of her family by her side. Throughout her journey, Maddie was supported by her loving family and countless friends. She will be dearly missed by all including her parents, Julie, Nelson, Rich; her sisters, Ashley (17) & Charlotte (11); Brother Bear Keegan (1), maternal grandparents, Al & Carol Dornisch; paternal grandparents, Nelson & Ester Paguyo; aunts, uncles, cousins and so many wonderful friends. A student at Anthony Middle School in Minneapolis, MN, Maddie enjoyed and excelled in academics, sports and the arts. She glowed as a teacher, performer and musician. We are so proud of her strength, courage and dignity. Special thanks to the physicians and staff at Minneapolis Children's Hospital, especially Dr. Anne Bendel and Dr. Susan Sencer. We extend our deepest gratitude to Master Chunyi Lin for his guidance and love. Memorials preferred to the family for a foundation to be determined. Maddie wished for a celebration of her life as she and her angel friends join us from Heaven at the Memorial Service to be held at Bethlehem Lutheran Church, 42nd & Lyndale Ave. S., 12:00 noon, Thursday, May 13, 2004. Visitation 1 hour prior to the service and reception following at the church.
