“ Dear Ray and the entire Weghorst Clan, Sherry and I were sad to learn of Madeline's passing. We send our deepest and sincere condolences. Although I only met her a few times, Madeline had a bright beautiful spirit (as evinced by her smiling photo in this Obituary). Our thoughts are with you during this arduous period. “ Dear Matt and Laura, Your mother was one of my favorite people. I knew her as a fellow teacher, a friend of Harriett Pool's, and most importantly as your mother when you were students at Crestwood. After you guys grew up and left home, she kept me posted on your accomplishments. She was so proud of you. I am sorry for your loss, but so glad that your mom touched so many lives. Sincerely, Mrs. Stough

“ Ray, Laura and Matthew - Patsy and I were so very sorry to receive notice of Madeline's passing. Ray and I worked together for many years in Little Rock and got to know Madeline as a neighbor in the Overbrook area of NLR. Madeline was one of the kindest people I have ever known. She was always smiling and had a cheerful word for every person she met. We are both praying that God will comfort all of you and give you strength to make it through this time of sorrow. God bless and keep you. Tom

“ So very sorry to hear of Madeline's passing. I worked with her at Indian Hills and was one of her bunco buddies. She was a jewel of a friend and will be missed. I'm so glad I was able to visit with her at our last bunco get together. I'll treasure my times with her. I had just sent her an message through Facebook last week wondering how she was doing. Her family will be in my prayers. Rest in peace dear friend❤️

“ What a lovely picture of Madeline. My family has such fond memories of the Weghorst when they lived in Little Rock and Matt and our daughter, Laura, were on swim team. Ray and Madeline could always be counted on to volunteer as timers, provide food for coaches and officials, and of course, cheer on Matt, who could always "bring it home." Our thoughts and prayers are with you all.

“ I am a colleague of Laura's. Reading the obituary I was struck that Laura had such an amazing role model and has really carried that torch well, serving kids with special needs. I know your family is hurting now. May you be a source of strength for each other. Lisa Schibel
