“ I remember Mae from her years at United, when I was a student there ('89-'94). But I had no idea she was born in Morgan! That was where my mom was born and grew up (and my grandmother before her).

May God's peace surround you all during this time. Thank you for sharing Mae with all of us at UTS.

“ Mae reminded me of my Grama Doris. Strong and a real bright light in the family. I loved hearing stories Katie would tell me about her. Sweet Mae you were loved.
