MaKayla Lynn Radotich Our Beautiful Princess 8-16-02 to 10-12-02 A Beautiful Baby girl taken from us without any warning or signs; we wish that we could have her back forever. Her life was too short, so many things that she never got to see or experience. For the short time we had her in our life she ran our lives; if she wanted something, she got it. Her beautiful, big, blue eyes always shining as if there weren't a worry in the world. Everyone she met, she captured their hearts. She never caused sadness or pain to anyone, but today many people are grieving because our angel has gone home. Services held 11 am October 21st at: Washburn-McReavy 1838 E Minnehaha Pkwy Minneapolis, MN 55407 612-721-1651
