“ *We're so sorry to here of the death of Maraline. I worked with Maraline at the US Bureau of Mines for many years, and she was such an endearing, pleasant, and efficient person. In years following the shutdown of the entire Bureau of Mines in 1996, she showed up faithfully at our reunion dinners to update all on the latest happenings. This was unexpected to us and her smile and enthusiasm will be sorely missed. Richard (and Judy) Thill.*
