“ Just found out Marc passed. I was very close to him years ago. He is so fun and so caring. I am shocked. I had no idea. I was checking to see how he was doing and came across his obituary online. This makes me really really sad. Marc you were always so sweet and loving. I will miss your smile, sense of humor, laughter and your endless love for GNR. I will miss my friend. We lost touch and I am so sorry this happened.

“ I was so shocked and sad to hear of Marc's death. He always could make me laugh. One of my favorite memories of Marc was during our physics class, he was always engaged and he made the class so much more fun. Although I had not seen him in quite some time, I will miss him. He was a really good guy.

“ It saddens me so much to hear this news. Marc was such a good guy. I knew him from AHA as well. He was so full of life and always had a way of making the person in front of him feel like the most important person in the world. My deepest condolences to Mr. Engfer and family.

“ My condolences to the Engfer family. I also graduated from AHA with Marc. I share others' sentiments. I will add that he had such an uncanny ability to break down the barriers that contained groups, including and loving everyone. A pretty remarkable and admirable quality, especially in high school - one to be treasured and celebrated for sure. We should all be encouraged to live by his example.

“ I wish we never lost touch over the years. Marc, you were the life of every party. You could make me laugh so hard at a drop of a hat. My old fishing buddy. The time during high school at your cabin was some of my fondest memories. Fishing, joking around and laughing until it hurt. You were already missed and now regretfully I lost my chance to say these things to you. An incredible spirit. All my love to your family. So sorry for the loss.

“ Such a sad day. I don't really remember much of high school without him. It felt like we were always together. He was an amazingly funny, creative, sweet, and fun person. I remember loud music (mostly G n R) coming from his car. I remember his passion for sports. I remember his loyalty to his friends. Above all, I remember the love he had for his family. Jon, know you were his hero and best friend. I will miss that smile and mischievous grin that followed it. Much love to all who are missing him today and in the days to come.

“ My deepest condolences to the Engfer family. Marc and I became close our last year at AHA and he was always larger than life, the life of every party. In looking at my yearbook just now, he wrote "We always have a good time when we are together" and that was the truth. Many memories will live on with many of us. We sure did lose a good one, but heaven has gained another angel. I can only imagine what ruckus he's starting up in the heavens today!

“ I have many fond memories of playing football with Marc. He was a tremendous Captain and leader. He was the type of guy who would give you the shirt off his back, even in the harshest of Minnesota winters. My deepest condolences to the Engfer family. He will certainly be missed.

My heart is breaking knowing the world lost one of the most spirited souls I knew. Marc was one of those men that would tell ya how it is and that is a great quality to have. My memories I share with my kids about the trouble and the fun I had involves Marc. I love you Marc and today my heart is sore. I am sorry John for the loss of your wife and now your son. Marc was an amazing man because he was part of you. Thank you for sharing him with us at Holy Angels!

I taught Marc while he was a student at Holy Angels. A genuine and caring soul, I have very fond memories of Marc in the classroom and hallways of AHA. Rest in Peace, Marc. "May flights of angels sing thee to thy rest".
