From his grandchildren: "Grandpa was our biggest fan in every aspect of life. With the kindest heart and a million dollar smile. You could find him at any of our sporting events. We could always look down the foul pole and see him standing there in the shade. Living 77 years in the fast lane isn't an easy thing to do. Keep racing Tesla's and shooting off fireworks in heaven. We love you so much Papa." Forever Young.

“ *Marcel, My profound gratitude for your kindness, warm heart and sincere respect for the foundation you have built for your family and friends. Your son Keith has been shaped by this love and strength into a kind, full-hearted father and husband who has replicated that foundation for his very own family and friends. Wherever you are, I'm certain you are full with pride and joy that the life you lived strengthened so many. Cheers to you Marcel! It has been one of my greatest pleasures to have known you! -Craig*
