“ I just saw this in 2024 & thought I would share. My parents, George & Peggy Myre, were good friends with Marcella & her first husband in the Projects where we lived after WW2. after moving to Richfield, I remember going to visit them when I was about 8. The boys took my brother, Nick, downstairs but I was a girl & wasn't allowed.lol. Many years later, I worked as a teller in a bank in Anoka & Marcella came to my window. I recognized her name right away. What a nice conversation we had after I introduced myself. I'm sorry for your loss. Julie Myre-Jensen
