“ My Aunt Marcie was like a second mom to me. My mother (Elizabeth Andrie) was her sister and passed almost 8 years ago. They had the same birthday date - March 17th but 7 years difference. As a little girl, if she wasn't watching me while my mother worked, we would go to their house all the time...thus the 2nd mom! I would call her all the time on her birthday to wish her a 'happy one'! I last visited her on Sunday, June 5th with my sister, Michelle. Marcie was in such good spirits and we talked and laughed about old times for an hour and a half before she tired. I am blessed to have her as my aunt.

To share a story: A few years ago, while when I lived in Phoenix, I had called her and when she answered, we talked for a minute or two and I asked her how she was. She told me "I have fallen and can't get up'. Of course, with her humor, I didn't believe it. But...it was true. She was so calm on the phone...but I wasn't! She then told me that she had tipped over in her wheelchair while going in/out of her patio door but that the kids had taped her cell phone to the leg of the wheelchair... just in case. Well, the "just in case" worked! She was able to call either Danny or Darrell (sorry can't remember which) and he was on his way over. I then said, "I am going to call you in 30 minutes and if you don't answer, I am going to call 911"! When I called...all was well...she was rescued! It was the longest 30 minutes for me!

Love that lady!!!!

Love,
Karen Andrie
