“ Dear Sue,
Susie and I loved your Mom and Dad. It was so great when they came down and we got a chance to spend a little time together. We enjoyed your eulogy for your Mom. You are blessed to have had such wonderful parents, and you are the result of their being so special.. We send our heartfelt sympathy and love to you and your family. Marcia will always be missed but always remembered.
Much love
Susie and Bill

“*Marcia served as President of the Kelodale Garden Club of the Edina Garden Council (EGC). She enjoyed her garden and especially enjoyed sending birthday cards to Kelodale members. Marcia worked on buckthorn abatement by walking her neighborhood and placing door hangers at homes with buckthorn. This was to good effect with many removing their buckthorn. Marcia served on many EGC garden tour committees. Marcia's friendship and warmth will be very much missed by the Kelodale garden club members.*
