“ Stephanie, Tim, Natalie, and Jeff, I am so sorry and absolutely heartbroken to hear this news about your wonderful mother. Marcy was always such a JOY to be around. It seemed we would "laugh until we cried" every time we were together. She was also one of the most caring, thoughtful, and generous friend and person that I ever knew! She loved all of you, her children, and grandchildren, with all of her heart. Again, I am so sorry for your great loss... I love all of you, and will be praying now and in the days ahead for your hearts to be healed... Sandy

“ *My beautiful friend, gracious, loving and faith-filled, I will miss you forever. You were my role model in raising my babies and my inspiration in how to love my God and my family. No matter the tribulations you personally experienced, you were always looking for someone else to lift up because you knew in helping others, you were serving God. My life is better because you were in it, Marcy and I know that now you wear your crown as daughter of the King - and I know you will be waiting on me when I meet you there!*
