“ *Marcia was my sister, loved her dearly. I was lucky enough to have had the opportunity to help with her care for the last year, she called me her rock. I would have took care of her forever, going to be so hard to live without her, going to miss her so much. She was a very special person, left a lasting impression on everyone she knew. Love- love- loved her!*

“ *Marcia was my sister and my best friend. I am going to miss you soooooo much. SHE was always there for me and me for her in our younger days. We used to go play bingo every week, bowling, traveling together, concerts, she came to visit me every year when I lived in Michigan and I always looked forward to it. I cannot believe that I will never see her again. I love you so much and you will be missed.*
