“ It's sad to hear about Marcia's passing. She was a great friend when we met in our graduate CNS/MSN in psychiatric mental health nursing at Indiana university. We kept thi friendship for years, lam in Beirut Lebanon. I visited them in MN and she asked me to be a keynote speaker at a nursing conference when I was on my sabbatical in 1998.
I miss Marcia and her memory is eternal. My sincere condolences to Mark and the family. May her soul RIP.

“ I am so sorry to hear of Marcia's passing. I worked with her at the U and she was a mentor to me. She did not know that!- I was too in awe of her to let her know. She was an expert CNS and mental health provider. In addition, she was a warm and caring person. I think of her often and am sorry to hear she is gone. Julie Sabo

One of the sweetest and kindest people I have ever known. I knew Marcia from High School and she had all those qualities back then. We chatted and shared a few laughs at our reunion. RIP sweet lady.

“ Dear Mark, Adam, Cole, and family members.
It is with the deepest sorrow that we learned of Marcia’s passing. Donniss and I go back so many years, with Mark and Marcia and Adam and Cole, even before either of us couples had children. We have shared many great moments together, and some sad times over the years of our lives and raising our children, and now enjoying grandchildren. Donniss and Marcia met as office mates at St Mary’s Hospital in Rochester, and we two couples soon became lifelong friends. With health issues for all of us, the last few years have made keeping in-person contact more difficult, but we all still have each other and memories of our lives together stored away in our hearts. Until we meet again, keep the light on.
With much sympathy and love,
Donniss and Dave Lassig
