I had the pleasure of working with Marcie for ten years. She truly had a good heart and a kind soul. I feel blessed to have known her. She was one of a kind. Rest in peace old friend.

Marcie and I worked together at Andrew Residence for over two decades. We shared children who were about the same age, and the ups and downs of parenting. Oh, how she loved Steve, Chris, Justin and the “grands”! Marcie’s dedication to our residents as an advocate, educator and Wise Woman was second to none. Thank you, Marcie, for your presence in my life. 😊

“ *Marcia was a kind and caring person. She loved both her sons, Chris and Justin with all her heart. She was a very good friend. Loved her laugh and smile. She will be missed!*
