“ *Dear David, Jenny, Joe, and Carrie,  
I worked with Marcia at Wilshire Park School in St. Anthony for many years. She was a very dedicated staff member working with children to improve their reading, spelling, and mathematics skills. Marcia was kind enough to write a letter to our adoption agency as we embarked on our adoption journey. Embrace the positive memories you have of your wife and mother. She will live on forever in your hearts and mind. Take good care of each other as you mourn the loss of Marcia.  
Blessings,  
Ginny Wilkinson*
