“ Bonnie, Deb, & Steve: I'm so sorry to learn about Marcia. You may not remember me. We grew up together 2 houses apart. My mother, Irene, and I were blessed to have you all as neighbors and get to know you. We spent a lot of time together when we were children. Whenever I think about my time growing up in GV, wonderful memories of each of you, Marcia, your mom, and your dad come up for me. You were all like family to me. I send my love, caring thoughts, and prayers as you grieve for this loss. Take good care of yourselves during this time. I'm sorry that I was not able to be at the service today as I would have liked to give you my condolences in person. Sincerely, Pat (Patty) Stankovitch

“ Dear family of Marcia - I worked with Marcia as a nurse at the U on the gyn oncology station. She was an excellent nurse AND so fun to do things with. I credit her with helping me when I was trying to “ do it all” for my sick mother. She had lost both her parents a short time apart and she took me aside and said I needed to get more help and shouldn't be doing it all myself. It was wonderful advice! I am sad to see her death at such a young age. You have my sincere sympathy and I will be thinking of you in the days ahead. Sincerely Heather Rykhus
