“ I had the honor of caring for Marge during my two years on Garden Court at St. Anthony. She was a wonderful woman who always cared for others before herself.

My favorite memories are when she and Emily would walk the halls together and join in my music groups. It was very special to me when Marge and other residents would pray the rosary for their fellow residents who were sick or in need of prayers. She always had a great laugh and a hug for anyone who needed it. I will miss her greatly and pray that she is at peace.

Warm regards,
