

Margaret Butler

July 3, 1985 - April 26, 2022

Margaret (Maggie) Mary Butler – July 3, 1985 – April 26, 2022

After a very short, but devastating illness, Maggie passed away the morning of April 26th at the age of 36. Maggie will be reunited with her Dad, her Bompá, Uncle Jim, friend Tom and many others who love her. Her little body is free from limitations and illness, and I know she is dancing and singing her way into heaven as people greet her.

Maggie had a magical way of attracting love from everyone she met. She brought joy into this sometimes dismal world. She knew no malice or hate - - - just love. She was a gift from God to all of us and will leave a huge hole in many hearts.

We will always remember Maggie when we see balloons, phone cords or beads. Her life was so simple and yet so rich. Her smile and laugh were contagious and we always said that Maggie had 3 moods - - Happy, Happier and Happiest.

She had a way of keeping us all on our toes with her medical challenges. Every time we thought we had a pattern to warn us about an upcoming medical situation, she would go in a different direction. She was a real mystery to all of us.

Maggie and her parents were so blessed that she was like a magnet when it came to attracting care providers. Over the years there have been so many people who have loved Maggie, that I cannot begin to mention them all. Every one was a very important part of our family and cared for Maggie with such

love. I will always be grateful for Maggie's "extended" family.
Thank you for your love and continued support. It is deeply appreciated.
