“ *Lois, Ann and Renae, Deepest sympathies on the loss of Margaret. In 1973 when the Billy Graham Crusade was in St Paul we (Extension etc.) attended YES73, a youth event. They guys stayed one place and I believe the gals stayed at Margaret's and we ate meals at Margaret's. I remember she was very gracious and caring. Praying you find strength from the Lord.

“ *Synpathy and peace be with you, Marilyn, all the Hill family and the many other members of Margaret's extended family and friends! Some of my fondest memories of my youth were those related to Margaret and the Hills! I will always remember her lovingly.*
