

## Peggy Rosenbower

November 18, 1937 - March 14, 2022

Rosenbower, Margaret "Peggy" Jean age 84, left this world peacefully on March 14, 2022 with her daughter by her side. Preceded in death by husband, Albert; parents, Carl and Lorraine Anderson. Survived by sister, Loretta Novak; daughter, Carla Mankowski (Josh); Granddaughter, Ellie; Niece, Char (Trinity). Peggy was known for her joy of entertaining and excellent cooking skills. Always welcoming friends and family during holidays or sitting around the dining room table talking smart and solving the worlds problems. Peggy spent summers boating on the St. Croix river with Albert and during the colder months in Acapulco with good friends. She was a career student and loved to draw, paint, write, read and most of all, her crossword puzzles. We will miss Peg's smile, generosity, kind heart and humor. We would like to invite friends and family to an open house to reminisce and tell stories, April 10, 4:30p - 6:30p at Elsie's Restaurant and Bar in NE Mpls. The family would also like to say a special thank you to Benedictine Health Care for their excellent care and compassion.
