“ Our deepest sympathy to the family of Margaret Seby. I worked with Margaret at Red Owl in Hopkins back in the 60's and we became very dear friends. What a wonderful caring person she was. She was like my second mother as this was the first time I was living away from home. After I left and married, we kept in contact for a while and visited on occasion. As the years past, we lost track but thought of her often. We happened to see her obituary in the Minneapolis Tribune today and knew we had to send our love and prayers to the family.
