“ I remember Peggy as always having a smile on her face a a laugh at was endearing.  
She was more concerned for the well being of others than she was for herself. I can remember when I was still in high school, she worked as a receptionist for Dr. Leaton in Mora and she would come to the waiting room in her crisp white uniform and call me in for my appointment. The calling in was the only part of that experience that was pleaserable. Although I didn't see her in the last years I often thought of her and Uncle Joe. She will be missed very much. My condolences to Mary, Joseph and Jimmy. Stan & Glenda Spar
