“ At the rising of the sun and its going down, we remember you. At the blowing of the wind and the chill of Winter, we remember you. At the opening of the buds and in the rebirth of Spring, we remember you. At the blueness of the skies and in the warmth of Summer, we remember you. At the rustling of the leaves and in the beauty of Autumn, we remember you. At the beginning of the year and when it ends, we remember you. As long as we live, You too will live; for you are now a part of us, as we remember you, for now and forever, Amen.”
