“ So sorry to hear about Marge passing away. I haven't seen Marge for awhile but I did have quite a few phone conversations with her. I have known Marge for a long time and considered her a good friend. She spoke of her husband and children frequently. She will be missed. My prayers are with the family. Sincerely, Carmen

“ Dear all,
I am so sorry for your loss. I hope you can find comfort in the memories you have. God has called her home where she is free of the pain & suffering she has endured the past several years. She was one tough lady to go through everything she has. She was a true & loyal friend to my Mom for over 60 years & i'm grateful to her for that. I know my Mom will miss her dearly. Rest in Peace Marge!

Renee, thanks for coming today, sharing your time, and being with your mom! I have known your mom a long time too. As a matter of fact she is my godmother. Her and mom had a special bond that is hard to find. I thank her for that. I am missing my mom terribly, but find peace knowing she is no longer suffering.
