“ Our hearts go out to all of you in Aunt Margaret's passing. She is in a far better place now - memory intact, health restored, with her beloved Jenni... We are with you in our hearts & prayers & know, too well, how difficult these days after are...I've been remembering all the visits to California by "The Aunts". How excited we would be to see your mom & Colleen (& sometimes your whole families) & see all the sisters - my mom, Teresa, Colleen & Margaret - be together. Always so funny... we would be "California cold" maybe 50 degrees all bundled up in our sweatshirts & there would be Margaret & Colleen out by the pool, sunning themselves like they were in Palm Springs. As a Minnesotan, now, I understand but back then it was so cute & funny. We loved her too...Rest well, Auntie Mags...I am sure it's sunny & warm surrounded by all those loved ones...
