“ Joe, I recall your visit in Knoxville TN many years ago and Margie's compassion for our grandson who has cerebral palsy. Your devotion to her care is exemplary. While you are relieved of the burden I am sure your heart remains heavy. My condolences to all your family.
Sincerely, Walter Law

“ Margie joined a week-long canoe trip through the Wilderness Canoe Base in 1999, It was a tough trip from the Quetico back to the BWCA. The challenges included bears in our campsite, very rough terrain and occasional cold rain. My friend KB helped Margie and frequently said, Margie, are you going to eat that Snickers bar?" It is a fond memory, and Margie raised the bar for all of us who were considerably younger. We all hope to keep on paddling as she did!

My condolences to her large and loving family. Linda McMahon,

“ I had the privilege of praying the Lords prayer with Margie on 8/23 at Lake Minnetonka Shores. Even though she was quite weak and I had never met her before, Margie clearly displayed a very deep and abiding love for Our Lord. Please know that Margie and all her loved ones are in my thoughts and prayers.
