“ *It is with great sadness to hear of the death of our dear Aunt Marguerite. She was the last surviving sibling of my dad, Wes Donehower, who passed away some years ago. We have such great memories of family trips to Minnesota, another to Florida, but more recently, many encounters in Hawaii where we lived for many years. All those wonderful visits with Paul, Marguerite, Peggy and Kay and sometimes their families, my dad and my wife and kids. We often exchanged macadamia nuts for wild rice during the holidays. Those are memories to last a lifetime. We will miss her and her wonderful smile. She was one special lady.*

*"Me ke aloha pumehana" (with our deepest love and aloha)*
