“ *My deepest sympathy and love to you all! I think you know how much Marguerite meant to me; we had a wonderful relationship from my first day at the Health Center. The seventh floor will never be the same without the life of the party, dear Marguerite. We will continue, though, to sing "her" songs in her honor. May you find peace in the knowledge of her life so well lived. Thank you for allowing me to be part of her care - it was a true honor. Love, Barbara.*

*I will miss my game buddy so very much. We've been playing card games & bingo together every Tuesday for the past 2 years. And before that she was a resident neighbor of my mom's at Walker. I grew very fond of her consistent cheerfulness & colorful attire especially on holidays. Marguerite was one of a kind and I'm sooooo pleased to have known her.....Partyann, a WM volunteer.*
