“ Mom, will miss you dearly. I never usually took the road you and dad wanted or suggested I take and paid for it time and time again throughout my life. Even with this nasty disease of alcoholism, I somehow managed to keep the values and morals I was taught by you and dad early on in life and for that I am truly grateful.. I will never forget when you were helping dad after one of his surgeries, he looked up at you and the love in his eyes for you was unbelievable to me. From that day forward I knew I couldn't settle for anything less than what I saw that day. Today, with a heavy heart, but with happiness, I know for a fact that you and dad have been re united in heaven where you both belong. I love you mom and will never forget you as long as I live.. Rest In Peace.  
Your loving son, Mark
