“ *Dear Doug and family.....I'm so sorry to hear of Marian's passing. As children, we spent a lot of quality hours together. Although we lived in Brantford, Ontario, my mother was Marian's mother's sister and we visited Minneapolis every year from 1945 through 1956. Over the years, the contacts were few but were always warm with good memories. The last time my mother, Marian's Aunt Helen McNally, and I visited together, I remember admiring a "pop can collection" out of this world!*

I very much enjoyed going down "memory lane" with Marian in September 2014, That was a special gift of time that I will always remember.

My thoughts and prayers are with you at this very difficult time.
