“ *Mary Lou (Marian) was my older sister. She was a very caring person. On one occasion, she learned that I was going to San Diego on business. She called her son, Steve, who lived in the area, and arranged for his family to pick me up. They took me to see the San Diego area. I enjoyed seeing Luann and their children. Mary Lou was a very talented person. She was an excellent photographer, plus she was able to use the computer to enhance her photos. She was also known for her cooking and baking, and enjoyed many crafts, including painting. Her husband, Milan, should be commended for the many years he cared for her. Thank you, Milan. I will miss her. Love to the Sedio Family, Eleanor Pauly*
