“ *My Aunt was like a 2nd Mom to me and we had so many memories together that I will never forget. Thinking about her will always bring a smile to my face and I am going to miss her more than words could ever express. Unfortunately she could never get over losing my Mom, (her sister) and if anything is helping me get through this, it is imagining how happy they both are being together again. I just wish I could see into heaven to see what they were doing. I will always love her until till the day I meet her again!*

*Her Niece, Julie*
