“ *Trudi, Jim and family,*

I'm sorry to hear of your mother's passing. I know the two of you were close and I enjoyed hearing about all the time that you spent together. Hopefully you can cherish those memories and know that they will always be there for you to reflect upon. I know it will be tough but there are a lot of people that are thinking of you in this tough time. Maybe those thoughts can provide some peace to know how much people care about you and your family.
