

## Marie Ann Case

October 25, 1960 - September 9, 2025

Marie Ann Case, a devoted wife, cherished sister, beloved aunt, and loyal friend, passed away peacefully on September 9, 2025, at the age of 64. Her warmth, wisdom, and unwavering support touched countless lives, leaving behind a legacy of grace and compassion that will never be forgotten.

Marie was preceded in death by her mother, Jeanette Wolfe, and her sister, Margaret Lommen. She is survived by her loving husband of 36 years, Thomas Case; her father, Donald Wolfe; her brothers, Daniel Wolfe (Mara) and William Wolfe (Colleen); along with many treasured relatives and lifelong friends.

For over twenty years, Marie served as a receptionist at Meshbesh & Student, P.A., where she took immense pride in keeping the office running smoothly and supporting her attorneys with meticulous care. Her gift for organization extended well beyond the workplace-Marie was the ultimate mover and packer, having relocated 19 times with Tom across Colorado, Utah, and Minnesota. Each move was met with enthusiasm and precision, a challenge she embraced with joy and grace.

Marie's love for animals was evident in the way she cared for her golden retrievers-Henry, Sadie, and Charlie-and her cockatiel, Huey, who often rode shotgun in their moving van adventures. Grooming, training, and nurturing her

pets brought her endless happiness and reflected her gentle, attentive spirit.

An avid reader, Marie found solace and excitement in the pages of mysteries and spy novels, always eager to discover new authors and stories. Her adventurous spirit first took flight with a trip to Germany in her youth and continued throughout her marriage. Together, she and Tom explored numerous U.S. states and Caribbean islands, often combining travel with Tom's speaking engagements at technology and cybersecurity conferences. Marie delighted in discovering new places and creating lasting memories.

Among her greatest joys was being "Aunt Marie." Her encouragement was tireless, her pride in her nieces and nephews boundless. She was always just a text or call away-listening deeply, offering thoughtful advice, and following up to ensure those she loved felt truly seen, heard, and supported. Whether at baseball games, hockey rinks, swimming pools, or soccer fields, Marie was a constant and enthusiastic presence, cheering on the children of her family and close friends. She understood the challenges of parenting and stepped in as a steady, loving presence whenever needed.

Marie's kindness, empathy, and ability to truly listen made her a trusted confidante and a source of strength for many. She will be deeply missed by all who had the privilege of knowing her. Her legacy lives on in the lives she touched, the love she gave, and the grace she carried through every chapter of her life.
