“ *Marie and I were 2 yrs. 2 mos. apart in age. Growing up on the farm outside of Lake Bronson, I spent most of my time outside working with Dad while Marie was inside being Moms helper. Marie was always shy with a warm heart and loving nature. Growing up, we had our differences (sibling rivalry) probably because we were so close in age and being middle children. When we married and started having families, this changed and we became great friends. How I will miss her.*
