“ Marie was like a second mom to my four boys, she took all of them in as babies and had them until they were in middle school, When I told her I was having twins she didn't hesitate for a minute to take on 2 new infants with the rest of the children she cared for. I knew they were always safe and loved which is so important when you are a working mom. I don't know what I would have done without her. Marie will be missed by many, she was a special person and one of the best Daycare providers in the world.

Love you Carolyn, Jason, Joel, Daniel and Derek

“ Marie cared for our girls from age 2 months until they were 7 and 4 years old when she retired. She was like a third grandma to our kids. When we went for the interview with her when Maya was about a month old, she said the words that made us know she was the right one. She said, "no matter what, just know if she is here, she will be loved."

We miss you and love you Marie! Shari, Thomas, Maya and Brenna Root
