Tribute Wall

“ Aunt Marietta was my favorite. She was a wonderful mother, grandmother and friend. She took especially loving care of me, all my life. My mother and her where sisters. When I was 10 years old I took my first airplane trip by myself to spend a week with her. I have wonderful memories of her. All my life. I always wanted to be a great mother like she was. And tried to raise my children as she raised hers. I raised my children in the Lutheran Church. All my life she was my closest relative. I love her children. In many ways they where my brothers and sisters that I never had. I spent many of the best times of my life with her. My granduation from high school, my wedding. We were very close all my life. I miss and think of her everyday of my life and always will.
