“ *My deepest sympathy to you all.  
She was a lovely, kind lady. I think of Lynn so often but didnt know where she was when Covid hit. I had phoned her a couple times each year. I have so many fond memories of our singing and dancing in the Generalaires, and friendship for many years following. We went to Hawaii with the Generalaires.  
We did social things together and she came to a few of my first caramel wrap parties the week before Thanksgiving.  
She was a good friend for so many years.  
Now she is with Jesus.  
God bless you.*
