“ Uncle Greg, Greg Jr, Tanya and Natalie, May your hearts soon be filled with wonderful memories of joyful times together as you celebrate Aunt Marilyn's life. I will always remember the many times Marilyn and I talked about gardening. Her lovely hanging baskets of tuberous begonias were a ray of sunshine that lit up the backyard. Please accept our deepest sympathies.

“ Greg & kids: I'm so sorry for your loss. I will always remember Marilyn's sweet smile and laugh. Whenever I was at your house when I was a child, I remember her being so happy and cheerful. And I know my parents have many wonderful memories from spending time with you both -- whether it was dinner out, visiting at each other's homes, or one of the trips you took together. My thoughts and prayers are with you during this difficult time.
