*Thank you for this beautiful memorial service for our friend Jean.*

*Jean was truly a shining example of the love of Christ within her.*

*I remember the women's bible studies she led at Church of the Master in Brooklyn Center, and the craft projects she led, always to benefit others in need.*

*A very caring person and "gentle soul" who loved God's creation and admired details of it. (the fish head, for example)*

*She remains in our hearts.

*Our hearts are sad at the news of Jean's passing-not for her but for you who will miss her so greatly. I remember working with Jean in women's ministries at Church Upon the Rock. I will always remember her gentle ways and her great sense of humor. Our prayers for you continue and we pray the comfort of the Holy Spirit will be constant.*

*Dear Clay and Family -*

*This service was a lovely tribute to Jean, an exceptionally beautiful, gentle and kind friend! I'm so glad she came to Minnetonka High School in our Senior year! What a gift she was to us then, and also for us through the years since then, especially in these last years when we as high school friends got to spend time with her many times over lunch at Byerly's. It was a joy to share our prayer requests and our lives together. We look forward to the day when we'll be able to join her in Heaven's glories, enjoying together our dear Lord, and each other, through eternity.*  
*Our love and prayers are with you all.*
