“ All my love to my dear cousins Monica, Claire, and Edie. I carry memories from years ago when we were all children and you all would visit CA or we would visit MN. I remember the laughter and camaraderie that your mom had with the sisters- hanging out in the kitchen, at the pool, the lake, on outings..while we kids did our thing. This sister bond they had- it has long reminded me of the bond the three of you share. What a beautiful legacy as you three support yourselves in this transition. Much love to you all and your families, Ellen
