“ I fondly remember my younger years growing up with the Paulson Family . I especially remember your mother at the Hopkins Wrestling meets cheering on her boys.. She was a very pleasant and happy person .. I moved away many years ago 1969 but still remembered your mother with a smile after all these years.

“ Greg, Char, and Family-I am so sorry to hear about the loss of your Mother. I hadn't seen her for years, but I remember the fun she loved to have, her laughter and how much her family meant to her. Hold her memories close to your hearts and know that my thoughts and prayers are with all of you. Take CareLove, Lori (Klein) Johnson

“*"Grandma" Marilyn was always a treat! Kristi and I spent many times visiting her at her house on the hill to bring lunch and visit with her and her kitty. When she moved to Hillcrest we would visit her and bring her outside to enjoy nature. She was a wonderful lady, with a beautiful spirit - always laughing and smiling. She will be missed by all who was ever graced with her presence. Blessings on all of you, her family and friends.*
