“ *Not the best photo of Marilyn, Mary and Warren/Marilyn at the 1995 Med Tech summer event.....However, the memories there!*

“ *Marilyn will certainly be missed by all that she has touched. She worked for my Dad whom she called “RL“ for many years at Electro Medic. Tracy and I would always say that Marilyn was one that truly enjoyed “the gift of time”! She was always interested in what was going on in your life & wanted to hear about it!!! At 91....She now joins Jack!*

“ *I had the pleasure of working with Marilyn many years ago and getting to know her and her husband Jack as friends. I had the pleasure of attending her 90th birthday celebration last year with the Med-Tech girls who also worked with her. She is a great lady who was always ready with a laugh and kept a positive attitude about life. She will be dearly missed. My sympathies to her entire family.*
