“ Marilyn was so kind. She played the piano at my mother's funeral. It was who Alvera requested, and it was a lovely gift.

“ Both of your parents had a lasting positive impact on my life. I'm not sure any of Rolo's aka Joel's friends would have made it through high school or college without their steady guidance and support. Rest in peace Mom and Papa Kendall. ❤️

“ I will remember her for being so gifted at playing the piano and organ at church. Also for her gift of hospitality as she hosted years and years of youth, groups, and families coming to her beautiful home, after Sunday night church. She herself, was a wonderful gift to our Salem Baptist Church!

“ A patient woman who raised 3 men and gave you all a lovely home and was an example of a partner in marriage. She assured me that collections and design are noble. Music has value and should be shared! One felt welcome in her home I know that takes talent and love!

Marilyn was a very giving and talented lady. We admired her organ playing at our church. We lived down the street from the Kendall's and her boys often babysat for my 3 sons. When my husband died, I moved back to MN. Marilyn hosted a widow's group with an elegant meal and then a movie. We appreciated her hostess abilities and the friendships we experienced through this group. We will miss you, Marilyn, but we know you are at your heavenly home.
